All full-time vacancies, including those for positions designated by the Board as common laborers, must be posted for in-service promotions or transfers. Transfers between departments must be approved by both the appropriate hiring authority and the Board. In order for an employee to in-service/transfer the employee must have passed the appropriate exam.

If no in-service/transfers the hiring authority will hire from the appropriate eligible register.

All vacancies occurring in the classified service shall, whenever possible, be filled by promotion or transfer of a qualified employee within the county service.

Promotion within the county shall be based on the qualifications of the person being appointed. Usually, the first consideration will be given to the most qualified from applicants within the office, district or department within the county. The criteria used in the selection of the most qualified applicant shall be based upon experience, performance, ability to do the work, attitude and evaluation.

In the event that one or more employees apply for an in-service promotion/transfer, then the hiring authority shall within sixty (60) days either a) take action to fill the vacancy; or b) allow the vacancy to remain unfilled; provided, that such action is also subject to the right of the hiring authority to fill the vacancy from outside the county service in accordance with the provisions below. In the event that no action is taken to fill the vacancy within sixty (60) days, then the position must be re-posted for in-service promotion/transfer prior to being filled.

Following the giving of a promotional examination and the provision of an eligible register for an open promotional position, the eligible register provided shall expire at the time of the filling of the promotional position or the end of the sixtieth (60th) day following the provision of the eligible register to the hiring authority. In the event that no action is taken to fill the promotional position within sixty (60) days after the provision of the eligible register, the position must be re-posted and a new promotional examination given prior to the filling of the position.

In case of the above being equal, hiring authority will make selection from applicants.

However, the Board may recruit applications from outside the county service whenever there is reason to believe that better qualified applicants are available than from within the county service.

If no acceptable applicant is found within the county service, the vacancy will be filled from outside the county service.

In some cases, a position to be filled may require higher qualifications including extensive educational background, state requirements and special training and license. In this case, notification will be advertised in the local newspaper for three days and applications will be taken from applicants with these qualifications. After the advertisement is complete the Board will submit all applications received to the hiring authority for review and at that time the hiring authority will chose the most qualified applicant for the job without examination.

Whether an employee or applicant meets the qualifications of a particular position shall be determined jointly by the hiring authority and the Civil Service Board. If the hiring authority and the Civil Service Board determine there is no one eligible for the available position within the county service, then the position shall be filled from the applicable eligible register.

The foregoing provisions shall apply to full time county employees. Posting of available position shall be for five (5) days after the Civil Service Board's notification of the available position. Notice shall be posted on the courthouse bulletin board on the first floor. Announcement of the available position shall be sent to the hiring authority for posting in each office, district or department.

In case of a promotion to a position for which a promotional examination is required, this rule may be utilized only to promote an employee who has successfully passed a promotional examination for the position sought.

Section 4 – REMOVAL – DEMOTION – OTHER DISCIPLINARY ACTIONS

The governing body of the County, any member of the governing body or head of any department or office can remove, discharge or demote any employee, officer or official of the County who is subject to the provisions of this Act and who is directly under such governing body, member thereof or department head, provided that within five (5) days a report in writing of such action is made to the Board, giving the reason of such removal,

discharge or demotion. The employee shall have ten (10) days from the time of notification of his discharge, removal or demotion in which to appeal to the Board. RULE 10 – EMPLOYEE'S RESPONSIBILITY

Section 1 – CONDUCT, WORK HABITS, ATTITUDE

It shall be the duty of each employee to maintain standards of conduct, co-operation, efficiency and economy in their work for the local government. Whenever work habits, attitude, production or personal conduct of any employee falls below the established standard, supervisors should point out the deficiencies at the time they are observed. Whenever possible, written warnings with sufficient time for improvement shall precede formal discipline.

Section 2 – EMPLOYEE'S RESPONSIBILITY

It is the duty of every employee to attempt to correct any faults in his performance when called to his attention and to make every effort to avoid conflict with the Civil Service Board's Rules and Regulations. It is also the responsibility of each employee to know and be familiar with the Civil Service Board's Rules and Regulations.

Section 3 – DISCIPLINE POLICY

It shall be the duty of all public employees to comply with and to assist in carrying into effect the provisions of the personnel rules and regulations of the Civil Service Board.

Section 4 – SUPERVISOR'S RESPONSIBILITY

It is the duty of every supervisor to discuss improper or inadequate performance with the employee in order to correct deficiencies and to avoid the need to exercise disciplinary action, as reprimand, suspension, demotion or removal. An appeal of certain disciplinary actions, specifically, suspensions greater in duration than 30 days, termination, or demotion. In the case of such disciplinary appeals, the provisions of Act 69-200 shall, if different from any provision of this Rule, apply and take precedence over the provision of this Rule.

The Civil Service Board encourages the employee and the hiring authority, supervisor or department head to make every effort to resolve any grievance or dispute informally preventing the necessity of filing a formal grievance. The Civil Service Board has the right to reject any frivolous grievance.

In the event a grievance or dispute is not settled informally and an employee is of the opinion that he has been aggrieved then the employee or his representative shall outline the grievance in writing, identify the relevant facts and the proposed remedy, sign and date the grievance and present the same to the office of the Civil Service Board within ten days of the date the grievance occurred. Said grievance shall be submitted on a form which shall be prepared for such purpose by the Civil Service Board, and which shall be made available freely to any employee. No grievance shall be accepted by the Board which does not contain a specific reference to the issue presented therein, and the section of the Board Rules and Regulations or Act which is alleged to be implicated in such grievance. The form shall be completed with sufficient specificity to permit the Board to determine, prior to a hearing, whether the grievance is frivolous.

Upon receipt of the written grievance the Civil Service Board shall mark the grievance with the date received and shall in a timely manner provide a copy of said grievance to the Chairman of the County Commission and the hiring authority, department head or supervisor against whom the grievance is filed.

The Civil Service Board shall schedule the grievance for hearing and shall give notice of said hearing to all interested parties, including at a minimum those officials entitled to notice of the grievance upon receipt. Notice shall be no less than fourteen days before said hearing date, although this requirement may be waived by the agreement of all interested parties. Said hearing may be continued by the Civil Service Board upon its own Motion or upon request of either party.

The Civil Service Board shall within thirty days of said hearing reduce its findings and order to writing and shall provide copies to all interested parties and the Chairman of the County Commission.

Any party may appeal the decision of the Civil Service Board to the Circuit Court of Walker County within thirty days from the date of the order of the Civil Service Board. Review by the Court shall be without a jury and be confined to the record and to a determination of the questions of law presented; the Boards findings of fact shall be final and conclusive.
